Responses to 'How Big Do You Like Your *XL Girls*?'

Dear *XL Girls*,

How big do I like my *XL Girls*? Oh my God, That's an alarming question. I like them as big as possible! Some of the hottest girls I have ever seen in 25 years of big-breast porn fandom (starting with Candye Kane in '85) are super plumpers! Sapphire (her current body), Evenzie, Maria Verbeck, Glory Foxxx, Mindy Jo, Devin Taylor, Jammin' Jennie, Miss Isabelle, the list goes on and on.

Mid-sized plumpers like Maria Moore and Rose Valentina are also mega-hot. Just keep doing what you're doing, *XL Girls*. But if you somehow had to choose between super plumpers and "slightly bigger than *Voluptuous* models," my God man, go with super plumpers! *XL* must truly mean *XL*!

Thanks for listening to a loyal fan who has every *Voluptuous* and *XL* ever published (and who prefers *XL*).–B.A., Seattle, Washington

Readers like mid-sized plumpers like Tereza, and super-sized models as well.

Dear *XL Girls*,

XL Girls is a terrific magazine just as it is now. I'm so very glad to be able to get it as a subscription. I love the mid-sized and super-sized *XL Girls*. *XL Girls* like Rose Valentina, Shugar, Samantha, Maria Moore, Brianna Falcone, Tereza, Cassie Blanca, Sapphire, Savannah Phair, Bunny De La Cruz, Veronica Vaughn, Glory Foxxx, Bessie, Monique and Wonder Tracy give me a good, hard boner. A smaller size *XL* model is even okay now and then, but the mid-size and super-size *XL Girls* are what your magazine is all about. Your DVDs are excellent, too. Keep up the outstanding work, and that way I'll keep my boner up!–T.S., Charlotte, North Carolina

Many cocks have hardened to this three-way hardcore scene in *K-jugs*.

Dear *XL Girls*,

I like to see a mix of sizes in *XL Girls* magazine. It would be a shame to miss any of these hotties. Tereza is a mega big babe.–Anonymous

K-jugs Rules!

Dear *XL Girls*,

Just had to write in praise of your new XXX movie *K-jugs*. I don't buy many SCORE Group discs as living in the UK I find the shipping costs to be quite expensive. But from the moment I first saw the trailer for this flick on eBoobStore.com I knew I had to have it no matter what. Normally when I obtain a new disc I file it for later viewing, but *K-jugs* came straight out of the cellophane and into my player, such was my eagerness to start jerking off. And, boy, it was worth the wait. I have well over a thousand hardcore movies in my col-

lection, and I have to say that *K-jugs* easily ranks among the best I've seen. But then I knew it would, thanks to the absolutely stellar cast you guys managed to assemble for this production. Never in the history of porno has so much grade-A tit meat been stuffed on to one DVD.

Every girl turns in a legendary performance, but special mention must go to Samantha, whose sexy, slutty commentary on the unfolding action just elevates it to a higher plane, and also Brandy Ryder, who apart from having a knockout body, keeps her boots on during sex. That will always win points from me! But the biggest surprise has to be Renee Ross, because I never expected to see her in hot suck-n-fuck action quite so soon. I remember her debut pictorial in the Oct. '09 issue of V-mag where I think she posed quite modestly. So to see her doing the kind of nasty shit she gets up to in *K-jugs* was a revelation–not that my cock was complaining! Her three-way with Samantha and Mr. Bosworth at the end of the movie was unbelievable. How can one motherfucker be so lucky? I hope you didn't pay him in addition to letting him fuck these two mega hotties!

It's one thing to see these girls in still pictures, but to witness that tsunami of tit-flesh bouncing around in hi-def XXX video is to sink to your knees and thank God you're a guy. I'm splitting hairs here, but here are a few suggestions for the sequel (you are doing a sequel, right? Tell me you are): Anal, more close-up camera work and get Cherry Brady on-board. Enough said!–K.S., via email

Requesting More Cassie

Dear *XL Girls*,

Cassie Blanca is way hot! You should certainly put out more of her–movies, photos, calendar. My friends and I can't wait to buy more. Thanks in advance!–D., via email

Big Girl Brawls

Dear *XL Girls*,

I am a fan of BBW women, and I am also a big women's wrestling and catfight fan. You have the girls that my fellow catfight fans and I would love to see in some wrestling matches and movie scenario catfights. For example, one mother insults the neighbor's child, who tells their mom, who then goes to the neighbor's house and challenges the woman to a fight.

Another scene could be two secretaries battling over the boss, whom they both want. In *My Big Plump Wedding*, Maria Moore could've had an argument with Samantha, as she thinks that Maria was baiting her fiancé into touching her tits, and their argument leads to a huge brawl between them. A landlady could get into a fight with her renter, who refuses to pay or move. The confrontation between them leads to a hair-pulling, clothes-ripping catfight. A homeowner surprises a burglar who broke into her house, and the fight is on.

These are only a sample of the kinds of scenario catfights that you

Cassie Blanca isn't just hot and plump. She's smart and super horny, too!

could have, but you need to make it look real, no patty-cake fighting, and you should always have a brunette fight or wrestle a blonde. There has never been a big-girl catfight group,

A reader requested that we make a big-girl catfight movie. He might be on to something with that one!

but you have the girls to do it now. And I think that if you just made a one- or two-hour DVD, it would be one of your biggest sellers, as there are a lot of wrestling and catfight fans in the world who I am sure would like to see your gorgeous girls in combat with each other.

There have been companies out there that have had catfight videos, but with skinny minis, not BBWs like you have. So I hope that you will seriously consider my suggestion sooner rather than later. This is hot stuff!–E.P., Las Vegas, Nevada

Reyna Reigns Over Their Hearts and Hard-ons

Dear *XL Girls*,

Reyna is one of my all time favorite *XL Girls* models. Every set featuring Reyna is arousing, and the set in the May '10 (SP195) issue may be the best ever. As impressive as her tits are, there is no way I can imagine ever ignoring her mouth-watering pussy or her spectacular ass for that matter. She would never have to remind me to get to work down there. She might

Brianna's Bush

Dear *XL Girls*,

Brianna Falcone exudes sex appeal. I don't know why it is so hard to find models with pubic hair, but I love it when you do. I bet you that all of her sexual partners drop to their knees and bury their tongue in this woman. I really like everything about Brianna, her rubenesque figure, her MILF appeal and her sexual enthusiasm. I hope you bring her back.–T., via email

Dear *XL Girls*,

I can't wait to see more of Brianna. She is bangin'! This beautiful chick looks like she was born to suck cock. Also, it was refreshing to see her full bush. It really made my cock stand up at full attention. She has a great body–all curves, tits and bush! I noticed that she has tanlines like she wears thongs to the beach. I would probably cream my pants if I saw her, or a woman like her, in a skimpy bikini at the beach. I see some larger women at the beach, but often times they are covered up. Let Brianna set the example–they should wear as little as possible! There are plenty of men who enjoy seeing that, and I am definitely one of them. Brianna rules!–G.M., San Diego, California

Kinky Lilli Has New Fans

Dear *XL Girls*,

Lilli Blue is amazing. She has the perfect plumper body, and she sounds like she's tons of fun. I frequent swinger clubs myself, and I think I may have to take a trip out to Georgia! She has a great ass; thanks for all the shots of it. She sounds like a kinky girl, so I'm sure I'll see her in hardcore. I just hope it's sooner rather than later. Ever since I saw her pictorial I've been fantasizing about her nonstop. Now it's time I had some new material, preferably hardcore photos!

I have always been a fan of big women. My wife is a BBW, and we have had three-way encounters with other big women. That's why I was immediately interested in Lilli. Women who are into the "lifestyle", so to speak, are usually open and experimental. So not only is Lilli a looker, she's adventurous and sounds like she has a great personality. I even showed her pictures to my wife and she agreed! If Lilli is ever looking for a

couple to hook-up with, we'd be the perfect candidates for her.–J.L., Attleboro, Massachusetts

Tatiana's Ta-tas

Dear *XL Girls*,

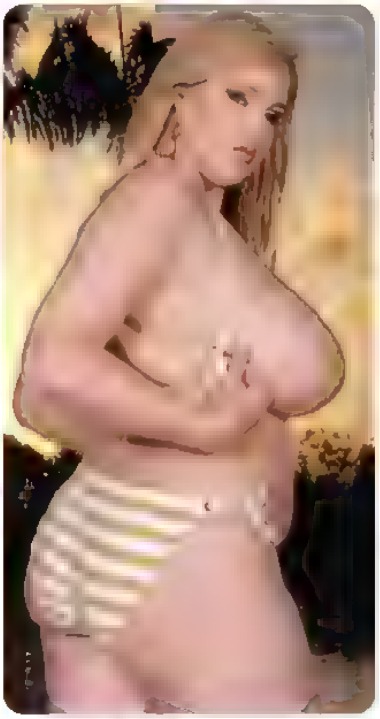
I loved all the new girls in the Oct. '10 (SP200) issue. All though there were many sexy ladies, Tatiana Blair was my favorite girl in that issue. I love short women with big tits. And she is very, very cute, too! Tatiana also has the most exotic look in the issue, which I find to be a huge turn-on. I don't know how she gets away not wearing a bra with those bombers, but hey, I ain't complaining! I think women with huge tits should always skip wearing bras. But I understand they need support. But in a perfect world boobs would be free and out!

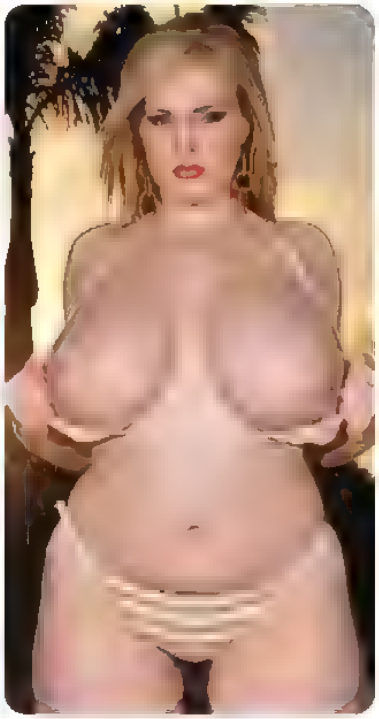
Anyway, I must say that Tatiana is cute and hot at the same time. Cute, sweet face and a totally hot body! I enjoyed her interview as well. I think the interviews are one of the best features in your magazine because they let us get to know the models' real personalities. From her interview, Tatiana sounds just like a sweet, normal girl in a lot of ways. A normal girl who just happens to have super-huge boobs. Anyway, I hope to see more of this cutie in your magazine very soon.–B.R., Salem, Oregon XL

At 4'10" Tatiana is a tiny thing, but she has a huge F-cup chest!

ASHLEY SAGE ELLISON

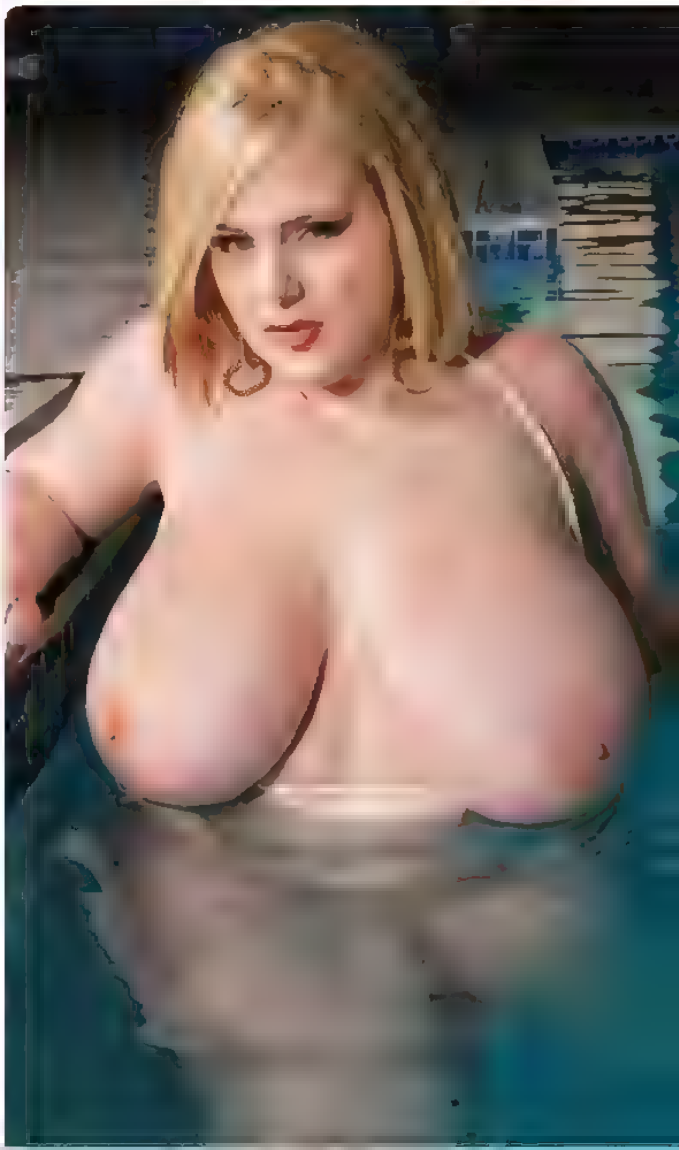
"I'M JUST YOUR AVERAGE NICE ENGLISH GIRL."





Ashley has caused quite a stir!

In case you haven't heard, Ashley won both titles as *SCORE* and *Voluptuous* Model of the Year for 2009. And if she would have been in *XL Girls* in time, she probably would've stolen the title here, too! She's had her critics (she doesn't smile often, isn't slim enough for *SCORE*), but the truth is she wouldn't have won two consecutive titles if she wasn't hot enough to make the sun jealous. Don't you agree?



This British J-cupper is thrilled to have the honor of being Model of the Year.

"When I found out about winning the contests, I couldn't believe it," said Ashley. "There were so many other beautiful girls in the running that I thought for sure one of them would have won. But I was very pleased to hear that your readers voted me number one. I really appreciate them, and I love reading their letters to me. They're the ones who made it happen." Oh, Ashley. Your English modesty makes you even hotter!

Ashley isn't as serious as she looks.

Although in the majority of her pictures Ashley has a sultry, come-hither look on her face, she's a laid-back girl. "I really don't take myself so seriously. I love to laugh. I didn't realize I wasn't smiling much in my pictures, but I'm always smiling in real life," she said. "In fact, having a sense of humor is very important to me. I always fall for men who can make me laugh." As far as we're concerned, Ashley can do whatever she wants with her mouth and still be just as sexy.

SCORING BIG

By Phil Canyon
Illustrations by Otis Sweat

Myths about women–all kinds of women–are pervasive. Ask one guy, he'll tell you size matters. Ask another, he'll say it's money, cars and expensive gifts. Another might say romance is the way into the panties. And depending on the woman in question, any or all of them could be a little or a lot on the money.

Big girls, just like their diminutive sisters, can be as mysterious as they are plump and delicious. And when it comes to getting them juicy and ready for action, there are a few things you should know before heading into battle with a stiff, ready weapon. We asked a few large-and-tasty morsels what they look for in a lover-man, and spoke with several proven Romeos, guys who know their way all around those soft and luscious curves, to get the best advice for putting a passionate plumper where she rightfully belongs: Bouncing happily on the end of your cock.

CONFIDENCE COUNTS

"The last guy I went out with struck out miserably," says Sherilynn. Just 24 years old with ripe double-Ds, the frisky size-16 redhead appreciates a man who is as comfortable in his own skin as she is in hers. "It was a set-up," she says, "a blind date. But he was definitely not someone I would ever have given my number to."

The creamy-skinned BBW likes men to be able to meet her sexy green eyes when they speak to her, to carry themselves in a way that lets her know they can handle every inch of her. "The last man I dated seriously was the best lay I ever had. He didn't talk the talk like a boy; he walked it like a man, and he knew just how to touch me and where to lick me. I don't just get on my knees for anyone, but something about his attitude, his security with himself, turned me on. It was masculine. And after our second date, we'd barely gotten through the door of my apartment and I was on the floor, pulling the snake from his trousers like I was starved."

"FOR ME IT'S TOTALLY ABOUT THE MOTION IN THE OCEAN!"

Sherilynn, like so many large, lovely ladies, really gets hot sucking cock. "Mmmmm, I can't get enough of it when a man turns me on. And nothing is sexier than a man who knows he's sexy. I'm no size queen, either. For me it's totally about the motion in the ocean!"

Jane concurs. The sexy brunette librarian is every inch the Cinemax version–plus-sized! "I've been seeing one of my co-workers for a month now," she confesses, sliding her fashionable glasses to the end of her pert, lightly freckled nose. "I like to park my big ass on one of those stable, little step-stools and suck him off in the stacks. His dick is average-sized, but he turns me on with it and that's what matters most. Plus he can get it up for me over and over again and when baby is hungry for it, too. And that really counts. One night after closing he bent me over one of the tables, hiked the skirt up over my rear end, and rubbed the end of his cock against my swollen, bald pussy as it protruded from between my thick thighs," she says.

"It got me wetter and wetter, and then he buried his face in there," she sighs. "I loooove it when a guy eats me up from behind." He teased her for awhile before using his tongue to make her cum–hard. "And then it was game over," she says. "He slammed his ham right up into my juicy snatch, and I was moaning his name over and over on the table every time I felt the meat on my hips shake as he slid his rod home."

Melanie likes 'em big. She's not afraid to say it. "It's hot holding a ginormous sausage in your two hands and slurping on it. The thicker and veinier, the better! But," she counters quickly. "It's of no use at all if he doesn't know what to do with it!"

She regales us with the tale of a guy she calls 'Reggie.' "I don't want to embarrass anyone," she says with sensitivity. "He probably had the biggest dick of any guy I've ever been with".

Now 32, this ballsy, sexy lady–with her sassy China-girl haircut in arty, alternating shades of black and platinum blonde and stunning pale-blue eyes–admits to more than a few notches in the posts of her luxurious canopy bed.

"But he was a lousy lay and a two-pump chump to boot. Plus it took him forever to get his dick back up. There was another guy, Aaron, I dated. I really liked him, but I admit when the pants finally came off I was a little disappointed. Until he showed me he could make five inches feel like 10 with his skills. He had it all–finger talent, tongue stylings that made my hair curl and he could fuck forever if he wanted to! Hardly any guy I've met has the staying power to get me to orgasm with just his Johnson," she tells us. "They're always blowing their loads all over the place before I'm even out of the starting gate!

"Aaron was different. He had moves. His hips were like dancers. He knew how to rub his pubic bone against me, basically massaging my clit with his body while he fucked me! Before him, the only way I came from intercourse was by fingering myself while being slammed on my hands and knees. Aaron showed me that I could cum from regular sex. It was amazing! Size may matter somewhat, but it sure isn't everything!"

Athena admits she's a big girl whose confidence occasionally wanes. "When I'm with a man who really makes me feel sexy, that's when I'm at my best in the sack."

She grew up not liking her body. "The skinny girls got all the attention in high school," she says. "I used to play with myself all the time, though, because I was so horny. I'd lay in bed and run my hands over the rolls in my belly, wetting my fingers with my tongue and turning circles on my big, brown nipples, pinching them hard with one hand and running my fingers over my pudgy pussy mound with the other, invading the wetness there, even tasting it, imagining some guy's tongue just licking the sweet cream right out of me…" she sighs. "But no one ever seemed to want to until I met Jermaine."

Her first-ever boyfriend, Jermaine, took the chocolate-skinned Athena's virginity when she was 20 years old. "He was the first guy I'd ever done anything with. And he really loved my body. He took his time. He explored every curve, ripple and dimple. He'd spend an hour running his tongue over the insides of my thighs, sucking on my nipples, rubbing his

thick cock between my huge tits and letting me suck on the head," she murmurs. "And then he'd go downtown and eat my bush the way I eat a ripe peach," she tells us, "the juices would be dripping down his chin and then he'd kiss me and let me taste myself on him and his pole would get buried in my hole until I felt his balls up against me, wet and slapping, and the whole of my body would be moving with his, my legs around his tight, little ass, and I felt like a sex goddess. If not for his attitude about himself, I'd never have been able to see how beautiful and sexy I really am!"

THE ALTAR OF AMPLITUDE

Jermaine laughs when we give him a portion of Athena's performance review. "She is a beautiful lady," he says, smiling. The pair still sees one another on occasion when he comes home to visit, however a job in another state after college put an end to their exclusive relationship.

"I have always liked my ladies large and in charge," Jermaine says easily. "There's no such thing as too much of a good thing. My love of big girls is genuine, so it's usually pretty easy for me to get some. They can tell I'm really turned on."

Compliments, he says, go a long way with most women. "And with ample girls, no matter which kind you're chasing, it's a good place to start. Just remember a few things."

Jermaine explains that in his experience, there are basically two-types of big, beautiful women. "There's the girls that know they got it all going on, and the ones who, for whatever reason, have bought into this bullshit that all men want tall, scrawny supermodels or mainstream centerfold types."

With the self-conscious big girls, he says, the more you tell her how gorgeous her big tits and giant ass are, the sexier she's going to feel. "And the more likely it is that you're going to be the beneficiary of all that sloppy-wet and tasty poonanny," he laughs.

R.C. loves living large so much, he's got a plump wife at home "and a big, horny truckload of ass on the side!" he guffaws. "My lady loves to eat my cock," he boasts. "She would snack on my meat all day long if I'd let her." However the Missus falls short in one particular area. "She won't let me put it in her ass," he sighs, defeated. "That tremendous culo is the reason I asked her out in the first place!" he says. "We dated for a long time, and she's a total horn-dog, so I figured once I married her, eventually, she'd let me get my dick all up in that tightness."

But it never happened.

"I met Sharon at a happy hour," he says. "She's a hot, buxom blonde and she sure knows it. There had to have been two or three other guys buying her drinks, chatting her up and what not that night."

But he says they laid it on too thick.

"Complimenting an extra-large lady is a great idea," he says. "Everyone likes an ego-stroke. But you've got to do it right. These ladies are used to men thinking they have some kind of self-confidence problem. Me, personally, I only like the ones who know how hot they are! And if you lay it on too thick, man, they're going to know. And then you're done for."

R.C. says you have to be honest. "A big, self-confident girl knows," he says. "She can tell by how you're looking at her whether you really think she's all that."

That said, it was being complimentary in a natural way that got him Sharon's attention. "She knew I was hot for her right away," he says. "I

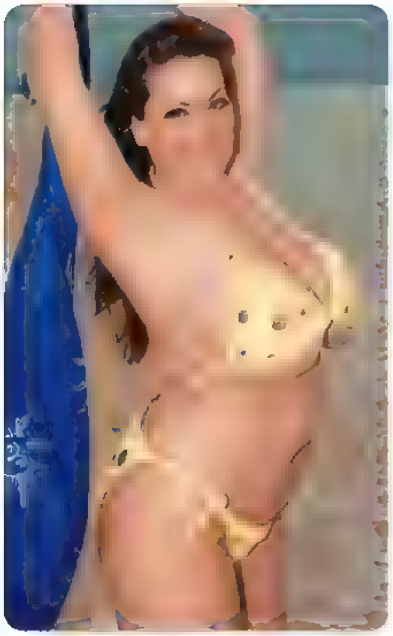
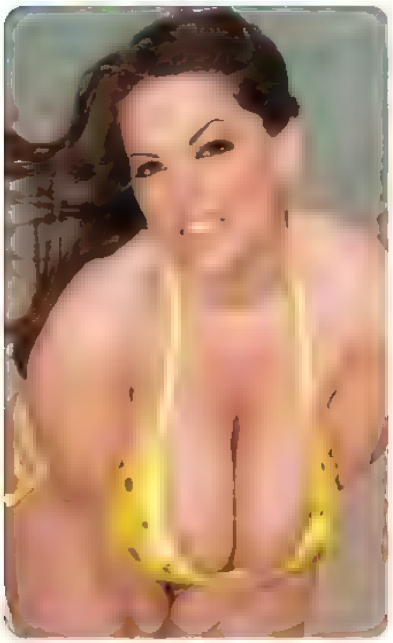
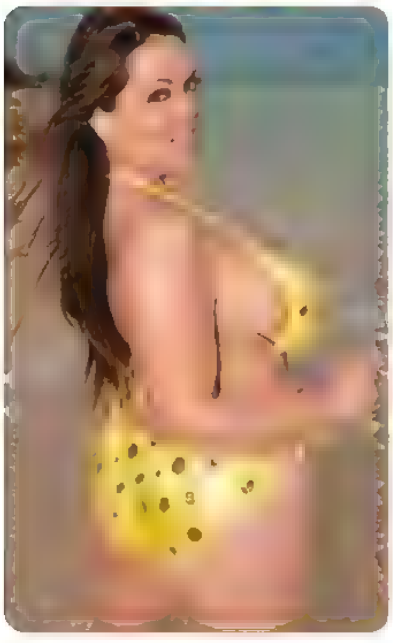
TAYLOR STEELE

"I'VE DONE SOME PRETTY KINKY THINGS, BUT THERE'S A WHOLE LOT I STILL WANT TO TRY."







Check out our newest Canadian discovery!

This is Taylor's first appearance in *XL Girls*, and she's not holding anything back! Not only is she happy to display her supple G-cups and shaved pussy, but she loves talking about her freaky sex life. This Canuck with the big cans is bisexual and loves oral and getting kinky. "I want to have sex everywhere. Outside, in parks, in boats, anywhere in public. I love the idea of getting caught! I've even been fucked up against the wall inside a church!"

Taylor likes sex rough and hard.

"One time I had sex with this guy who had a huge dick. At first I thought the sex wasn't that good because it felt like he was holding back. He told me that other girls would tell him that he hurt them with his big cock, but I said he didn't have to worry about that with me. I can take a pounding. Then he let loose and really gave me every inch of his dick. He said he'd never fucked anyone that hard before. We both loved it!"

So young, so hungry for cock.

Taylor is only 22 years old. So while she may be very kinky and horny, there are still a lot of fantasies that she has yet to fulfill. "There are a lot of things I've done, but there's still so much more that I want to try. One of my dirtiest fantasies is being in an orgy where I'm the only girl. I want to be blindfolded while the guys stick their cocks in my mouth one by one, then fuck me the same way. Like I'm their fuck-doll."

ANGELLYNE HART

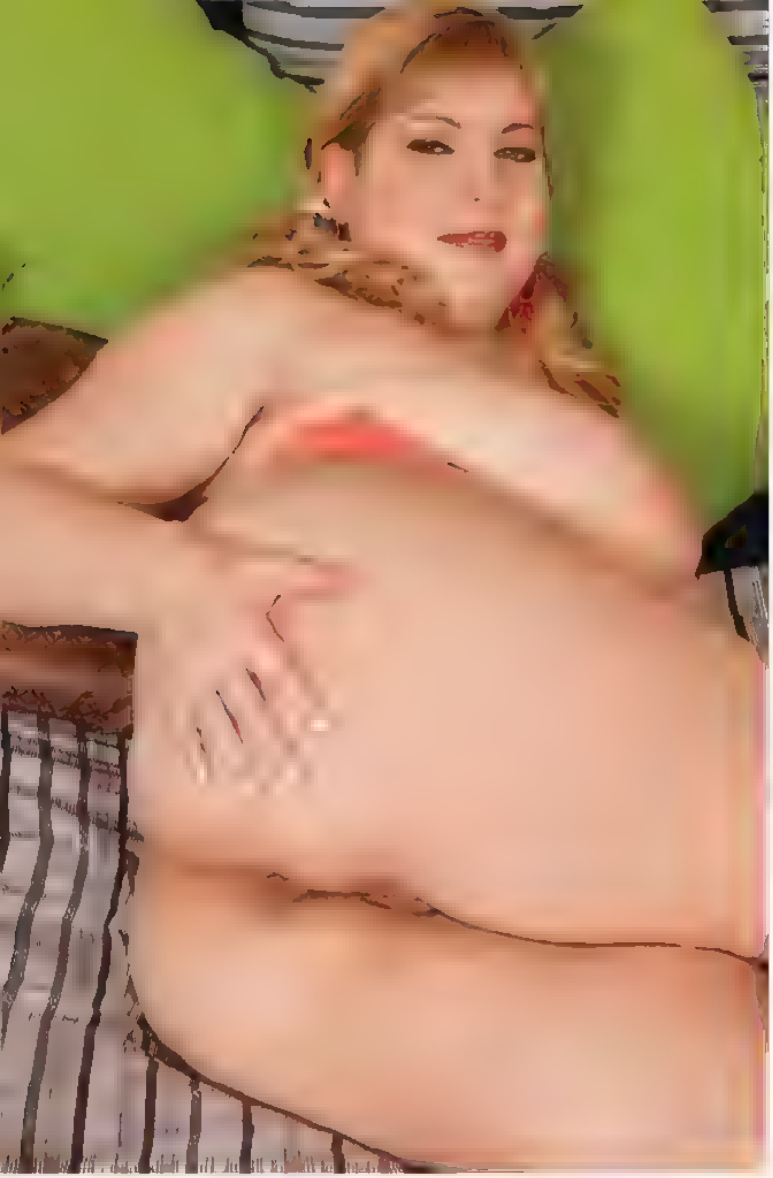
"I NEED A MAN WHO CAN HANDLE MY BIG BOOBS AND MY BIG BODY."

Angellyne gets lots of double-takes.

And it probably has something to do with the fact that she almost never wears a bra over her H-cup hooters. Even in Prague (her hometown), where beautiful, busty women are practically around every corner, that's kind of a big deal. "People definitely notice my boobs. I see them looking down at my chest constantly. But they're so big it's hard to not notice them. Even women look!"

She's quite generous with women.

"I like to go out to bars and clubs and have a few drinks and dance. And almost every time I do that a woman will end up touching my boobs. They are so fascinated by how big they are. It's all good fun. I don't mind as long as a woman is doing it. I like men to touch my boobs, but he has to go through more trouble to do that. I'm more free with my breasts with women, but I can't just let any man touch them."



What does a guy have to do to touch her boobs?

The answer is simple. Just be a gentleman and show her that you can handle a woman like her. "The man must be confident. I like him to make the moves. I'm a big woman so I need a man who is strong and in control, someone who can handle me. I like it when a man asks me out on a date and takes me somewhere romantic for dinner and wine. I want him to kiss me first. If he is an amazing kisser then at the end of the date I'll invite him in and show him the amazing things I can do with my mouth."

Reyna Mae & Brandy Ryder

This scene is from the movie *K-jugs*. Brandy Ryder and Reyna Mae are the lead singers in a rock band, and they're on Samantha's radio show to promote their new album. Samantha has an idea to run a contest where two callers get to come in and have a wild four-way with the girls live on-air! You've gotta give it to Samantha; boosting boners is a great way to boost record sales!

As bandmates, Brandy and Reyna spend a lot of time together writing songs, practicing, singing...and yes, fucking. What kind of wild chick rockstars would they be if they weren't engaging in some kind of sexual debauchery? And these two rock 'n' roll chicks really know how to rock cocks! The two lucky contest winners show up barely able to contain their hard-ons. And the whole time the action is going on, Samantha sexily narrates it to the horny audience listening in.

Just like these gals are used to sharing the stage, they're used to sharing cocks, too! They have no problems sucking dick and then trading. Same goes with fuckin', too! "A lot of the time people in bands will get egos. They'll want all the attention for themselves 'cause they're the lead singer or whatever, but it's not like that with Reyna and I," said Brandy. "We are more than happy to share cocks with each other. You know how male singers will have groupies? Well, we have groupies, too, only they're guys! And this isn't the first time we've been in an orgy, either. But this is the first time we've done something like fuck live on a radio station!"

Reyna was as psyched about the contest as Brandy was. "When I found out that the contest was to fuck two callers, I was all about it," Reyna said. LILLI BLUE

SHE'S THE HORNY HOUSEWIFE OF YOUR DREAMS.

XL INTERVIEW

LILLI IS MARRIED, BUT THAT DOESN'T STOP HER FROM HAVING KINKY SEX WITH OTHERS!

by Alexandra Quinones

XL Girls: Welcome to the studio, Lilli. How are you doing today?
Lilli: I'm awesome!
XL Girls: Well that's good. Can you tell us where you're from?
Lilli: Georgia, and all over. I'm an army brat.
XL Girls: Were you born in Georgia?
Lilli: Yes. Born in Georgia, moved away, lived in Europe a little while, came back. Then I was all over Texas, then went back to Georgia.
XL Girls: How old were you when you lived in Europe?
Lilli: I was there from around the age of two to 10.
XL Girls: Interesting. And what is your bra size?
Lilli: 38FF.
XL Girls: What does your tattoo say and what does it mean?
Lilli: It's says vulneratus non victus, which is a Latin phrase that means wounded, not conquered. I think it's just a general good motto for life. And of course I like to go bold, so I got a tattoo across the chest. It's the only tattoo I have.
XL Girls: Does your tattoo draw more attention to your boobs?
Lilli: As my husband used to say, people are going to look anyway so I might as well give them something to read while they're there.
XL Girls: Have you modeled before coming to The SCORE Group?
Lilli: I've done some amateur fetish stuff. It was all kink and fetish.
XL Girls: What kind of stuff did you do with the fetish modeling?
Lilli: I've modeled for some private collections, modeling corsetry, that kind of stuff.
XL Girls: So you're into fetishy stuff?
Lilli: Yes, I like all the basics: bondage, power exchange–femme on top is my favorite–I also like a lot of spanking and pony play.
XL Girls: Do you prefer to be the rider or the pony?

Lilli: I like to change it up, but mostly I like to be the rider. I think I just like being in charge.
XL Girls: So you're more sexually assertive?
Lilli: Yeah, I'm a little aggressive.
XL Girls: How did you hear about The SCORE Group?
Lilli: I'd seen the magazines, and my hubby decided to send some pictures in of me.
XL Girls: To do this kind of modeling, you have to be sexually open to a certain degree. Would you say that you've always been sexually open?
Lilli: Yes, I really have. I come from a household full of women, and we were all very open and honest. Although out of all my sisters I've got the widest exhibitionist streak, but I'm not the weirdest. But the other ones have the 9 to 5 thing on, so I guess they don't have the same consequence-free environment that I have going on.
XL Girls: So you don't work?
Lilli: Right now I'm a housewife, which I'm loving. It's great, especially since people have this idea of a housewife being this submissive woman. But to me it means that my home is my castle.
XL Girls: Do you cook and clean naked?
Lilli: Yes, naked and with fancy aprons. I have a fancy apron collection, and some of them are specifically meant to be worn naked.
XL Girls: That sounds like a good idea for a pictorial.
Lilli: I've actually done that kind of picture for someone's private collection.
XL Girls: As for the guys you've dated, have they been boob fanatics?
Lilli: Well mostly I've dated women, and yes they liked them. And the men I've dated–if they weren't boob fanatics, they became them after me.
XL Girls: You turned them!
Lilli: Yes, exactly.

"I HAVE A FANCY APRON COLLECTION, AND SOME OF THEM ARE MEANT TO BE WORN NAKED."

XL Girls: So you're bisexual?
Lilli: Yes I am.
XL Girls: Do you have a girlfriend?
Lilli: Not right now but typically I do. My husband is also bisexual so we're very fluid.
XL Girls: Are you guys swingers?
Lilli: Yup.
XL Girls: We hear that a lot from the married women that come in to shoot for us.
Lilli: Our age is one of sexual adventurousness, you might as well cash in while you can.
XL Girls: So what's the story behind your boobs?
Lilli: I had a very normal development, and then all of a sudden it felt like I woke up one day at 10 years old with C-cups. I skipped the training bra phase. And

then after the C-cups came the DD-cups, and so on. And they didn't actually stop growing until earlier this year. They've pretty much dominated everyone's perception of me since I was 10.

XL Girls: That's kind of funny 'cause you're sitting here completely topless.

Lilli: You know I forgot I was topless until I looked down just now.

XL Girls: You don't have to worry about covering up here.

Lilli: Well aside from being here, I'm used to being open in my normal life.

XL Girls: You mentioned you have an exhibitionist streak. Care to elaborate on that a bit?

Lilli: On the model questionnaire, for example, there's a question that asks what your kinkiest sexual escapade, and some of my kinkier ones are not legal in this country right now. But one of the most fun exhibitionist things I've done was when my boyfriend, now husband, and I were having sex with about 10 other people in a big pile on stage in front of about 200 other people at a club.

XL Girls: Whoa. In a pile?

Lilli: Yeah. In a pile, pyramid. It changed shaped.

"I'M PRETTY MUCH OPEN TO ANYTHING. IT'S SERVED ME WELL..."

XL Girls: It was a pile of fuck.

Lilli: *[Laughs]* Yes, it was a pile of fuck! It was pretty awesome.

XL Girls: So you like it when people watch you naked or while having sex?

Lilli: I guess I never really thought about it. It's never bothered me, and I guess because it's never bothered me the people I was with took it to the next level. They were like, 'Oh, you're okay with that? Then let's do that!'

XL Girls: So it was more that you were just open to it?

Lilli: I'm pretty much open to anything. It's served me well thus far, so I might as well continue it. I mean, it's why I'm here this afternoon.

XL Girls: What are some of the other kinky things that you've done?

Lilli: I once owned a submissive boy who was actually gay. He was not straight at all, had no interest in women. It was purely the BDSM. It was the control thing.

XL Girls: You didn't have a sexual relationship with him?

Lilli: Not at all. And when he did find a sexual relationship with a top who was very dominant we had to break off our relationship because his life was fulfilled and he was having sex. So I wasn't going to stop him from having that.

XL Girls: Was he your friend before you had that relationship?

Lilli: No, a friend of mine who was a top had introduced me to him. So from the beginning it was a very kink-oriented relationship.
XL Girls: Did you get any kind of sexual gratification out of that?
Lilli: Yes. Not everyone gets their sexual gratification out of kink, but I do. But then again I get sexual gratification out of doing dishes.
XL Girls: You're just plain sexual.
Lilli: Yes, I am!
XL Girls: Do you dress revealing when you go out?
Lilli: I like to walk the line of not too much cleavage, but a little more than necessary. Not too tight, but just a little tighter than expected. It just livens up my day. I feel more comfortable, I feel more like myself. And the people around me respond to that.
XL Girls: So when did you start dating women?
Lilli: From the beginning. From the time I first started being sexual.
XL Girls: Do you prefer women or men more?
Lilli: I thought for a very long time–until I was about 22–that I prefered women and that men were just okay. But it turns out that I just wasn't doing the right stuff with the men. Once I expanded from the missionary position in dim lighting then I realized, yeah

"NOT EVERYONE GETS THEIR SEXUAL GRATIFICATION OUT OF KINK, BUT I DO."

it wasn't men in general that I had a problem with. It was the men I was fucking.
XL Girls: They were boring?
Lilli: Yeah. I was kind of going with their flow, and their flow was boring. And I'm not boring. So it wasn't working. I didn't figure out until I was in my twenties that I preferred women because with them I felt more comfortable being the aggressor. So when I started being that way towards men, it worked out.
XL Girls: With women do you enjoy giving them oral sex as much as you like receiving?
Lilli: Yes, actually in both cases I enjoy giving more than I do receiving. Because when I'm giving I feel much more in control. It's a control thing. When I'm receiving the most control I have is scooting away.
XL Girls: And making them want to give more…
Lilli: [Laughs] exactly.
XL Girls: So you like to see them squirm a little bit?
Lilli: If they can't squirm then I at least like to have a little bit of hair that I can grab.
XL Girls: So obviously you've been in threesomes…
Lilli: Yes, threesomes, foursomes and moresomes.
XL Girls: That's cute. Is there anything you haven't tried but want to?
Lilli: Most of the things that I've actively wanted to do or see or what have you, I've already done. Because if there's something I want to do, I do it. So there's nothing that I can think of that I haven't tried yet. But I

want to stay open to possibilities because what if something occurs to me tomorrow that I want to do? Like, modeling was definitely on the list, and now here I am.

XL Girls: You're crossing them off.

Lilli: Actually I've never had a list. Maybe I need to make a list.

XL Girls: It's a good way to keep track of things.

Lilli: *[Laughs]* I definitely need to get started on that one.

XL Girls: So what kind of women do you like?

Lilli: Not necessarily my body type, but definitely soft. I do have a soft spot in my heart for Cuban women because my

"I JUST REALLY LIKE THE SOFTNESS AND THE CURVE OF HIPS."

mother was friends with another big family of daughters. And oh, gosh–the soft curve of the hip and the small breasts, or large. I always loved it. I just really like the softness and the curve of the hips.

XL Girls: So you like big butts?

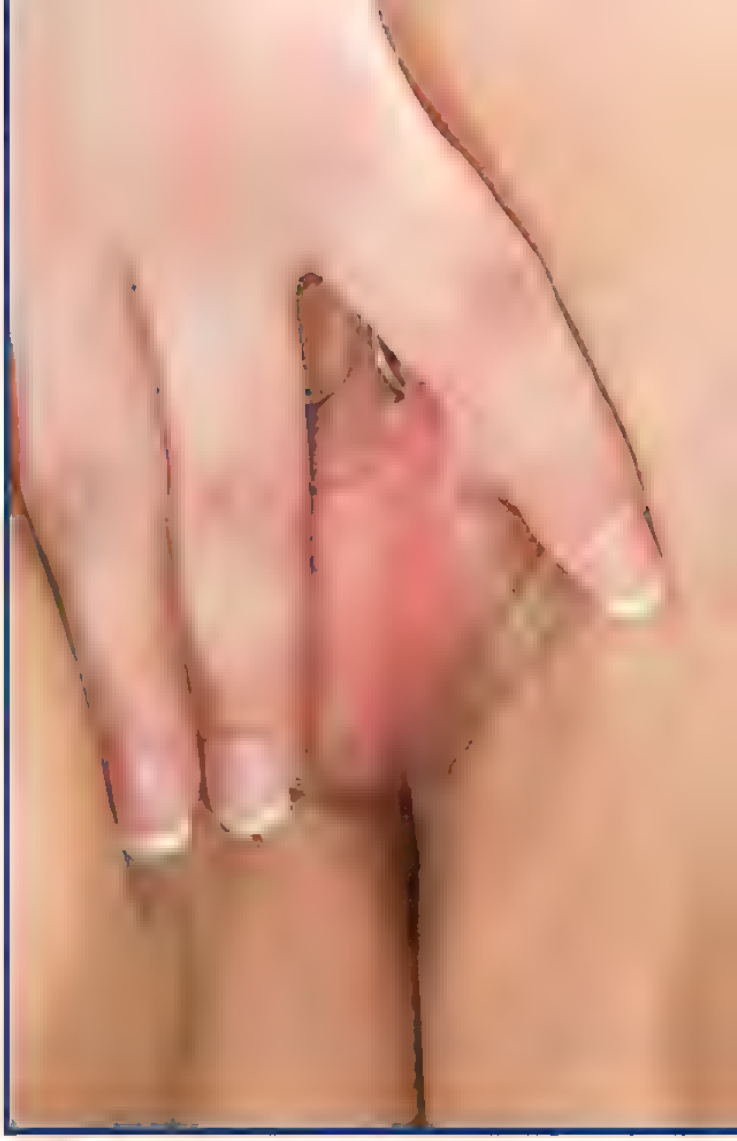
Lilli: Yes, I like big butts and I cannot lie.

XL Girls: You're in the right city for that. Miami is notorious for having big-bootied girls all over the place.

Lilli: Oh yeah. Believe me, I went sight-seeing. I know there's a large Cuban population here, so I wanted to make sure I didn't miss the sights.

XL Girls: How's the action in Georgia?

Lilli: It's surprisingly good. Everyone is under the impression that no one else is doing anything, but everyone is doing some-



thing. Atlanta is an amazing city for everything. If you like music, if you like fucking, it's all there. They have all their bases covered.

XL Girls: Do you have a type of man that you prefer?

Lilli: I think I like them tall and lean and long. But I do like soft bellies and chubby bits as much as anyone. But with men it's the inherent power. With women there's an inherent power in the wider hips, and with men there's power with the wider shoulders. That's what I like. I like big guys–tall, chubby or whatever.

XL Girls: Since you're naturally aggressive, do you prefer a submissive type of man? Or do you like it when he tries to top you?

Lilli: I definitely like it when he tries to top me. 'Cause then there's a little power struggle, and then I get to win. And I love to win! But I don't have a problem at all with bucking that trend. I can let the guy win, too.

XL Girls: Do you ever like being submissive or passive?

Lilli: Yeah, I've done that, and I enjoy it. It's always been with one or two people. You'll find that a lot of people who are more sexually dominant will have one or two people who they're comfortable doing more submissive things with.

"I WILL FALL FOR A NICE PAIR OF BOOBS MYSELF. THAT DESERVES A FREE LATTE."

XL Girls: It's all about being with the right person.

Lilli: Right. And a large part of being sexually dominant is letting your partner know that they can trust you to take care of them, and that you're not going to take advantage of them. So having that kind of reassurance as a submissive was great for me. It gave me a new insight to it.

XL Girls: Do you have a safety word?

Lilli: Not a universal one. Generally I've found that it's best to go with something that the submissive person has picked because they'll remember it. Whereas if I pick it they might not remember it. It has to be something that they would never say during the course of sex, like shampoo bottle. Or lamp, or whatever you want.

XL Girls: Have you ever used your boobs to get out of trouble or get something that you want?

Lilli: Oh yeah. Traffic tickets, getting free stuff. That happens a lot. Sometimes it conscious, sometimes it's not, but I'll squeeze my boobs together and then my soda is free. And I don't feel the least bit taken advantage of when other people do it to me. So I don't have a problem doing it to anyone else.

XL Girls: Well everyone is getting something out of it–a little eye candy.

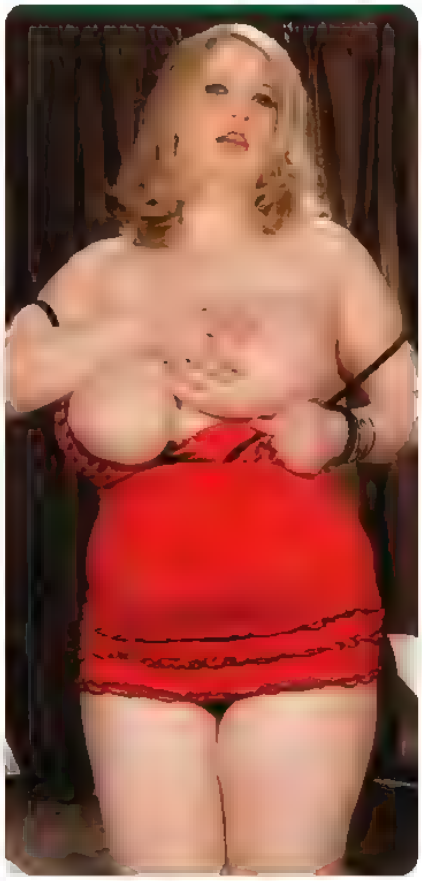
Lilli: And I've worked in situations where people have gotten a little flirty with me and I've given them free stuff in a heartbeat.

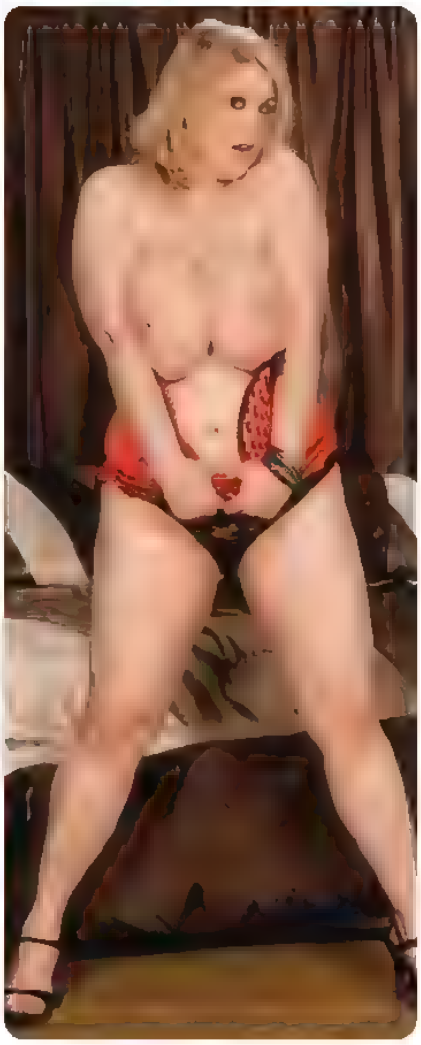
XL Girls: If someone is charming enough, you're happy to do it. So it goes both ways.

Lilli: Yes it does go both ways. I will fall for a nice pair of boobs myself. That deserves a free latte.

SADIE BERRY

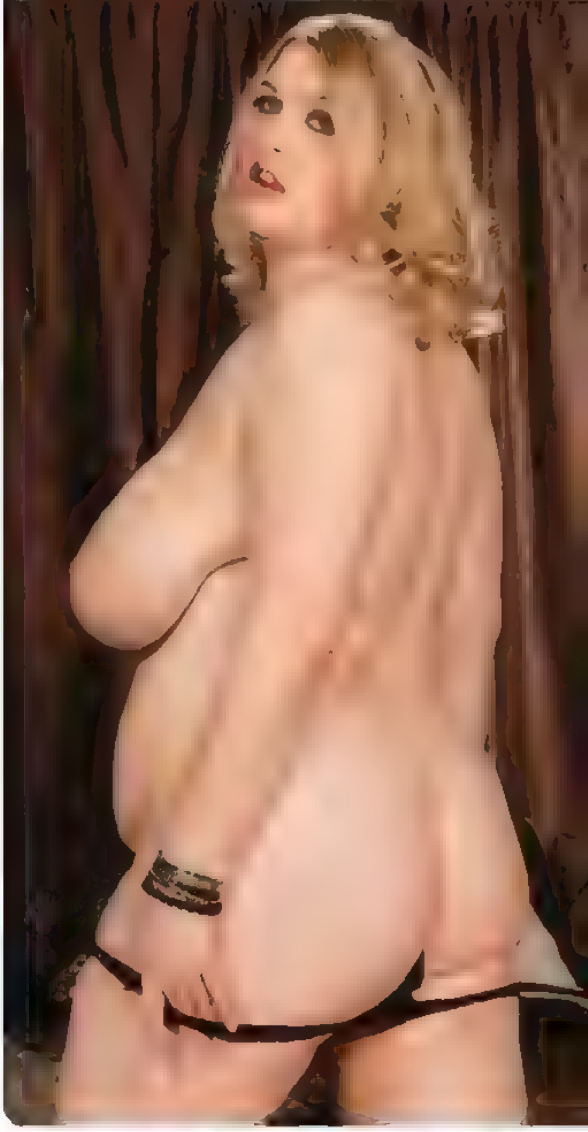
"NOTHING COULD STOP ME FROM POSING NUDE. MY BIG TITS ARE TOO GOOD TO KEEP FROM THE WORLD."





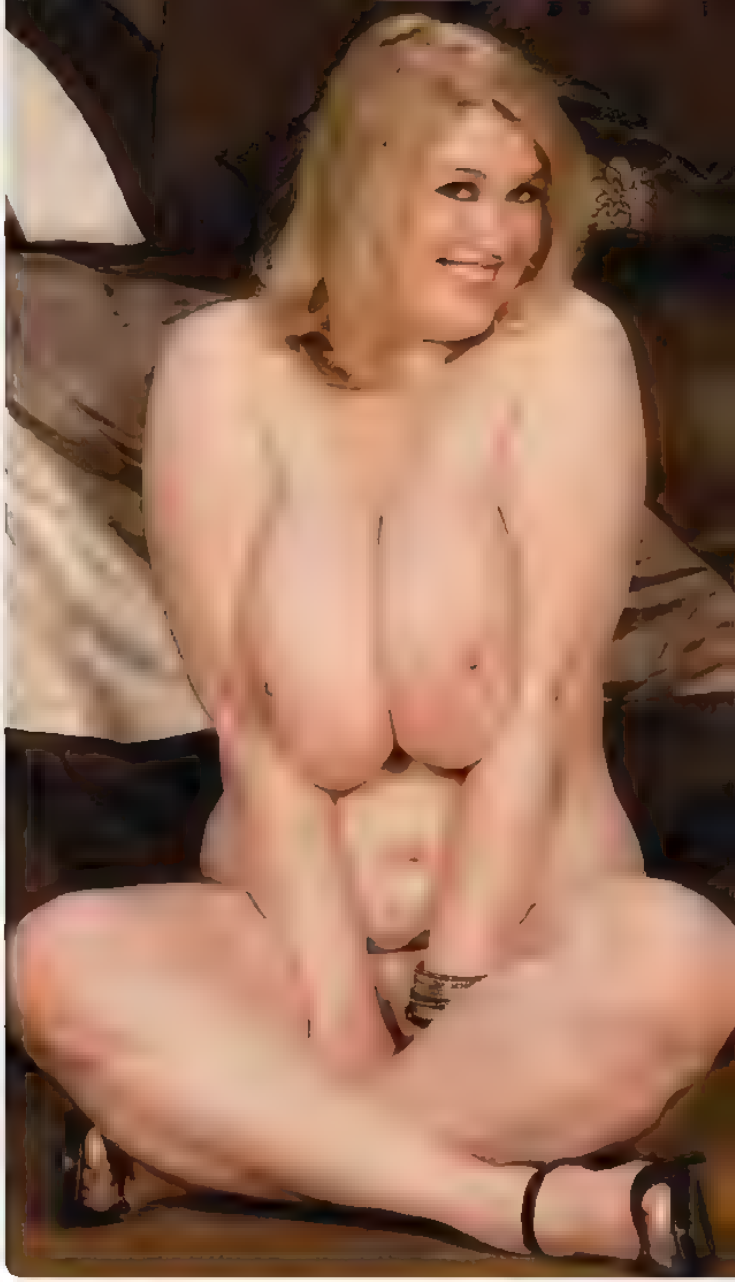
Welcome Sadie to *XL Girls*! She's a curvy blonde who's not afraid to go for what she wants.

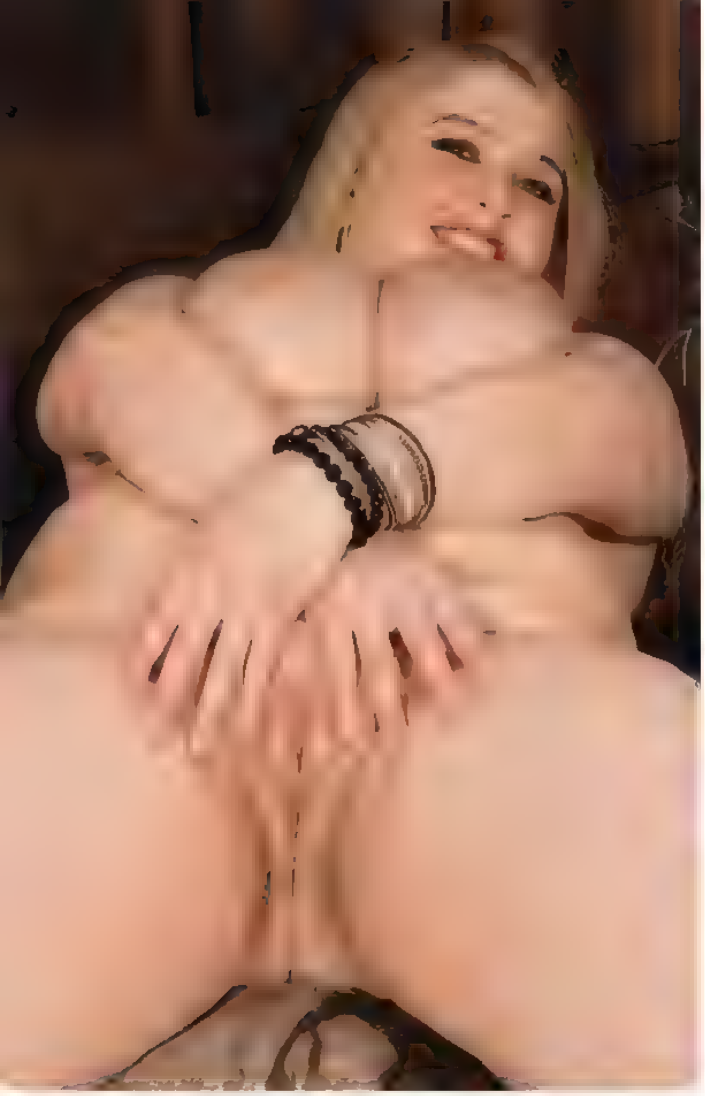
Sadie has always wanted to be a nude model. "I have my own stash of naked photos of myself," she said. But there was one obstacle in her way of making her wish come true. "The guy I was with refused to let me take naked pictures for a magazine. There was no swaying him. But it was something I really wanted to do, so I dumped him. I know it was the right decision, because I'm having way more fun modeling than I ever did with him!"

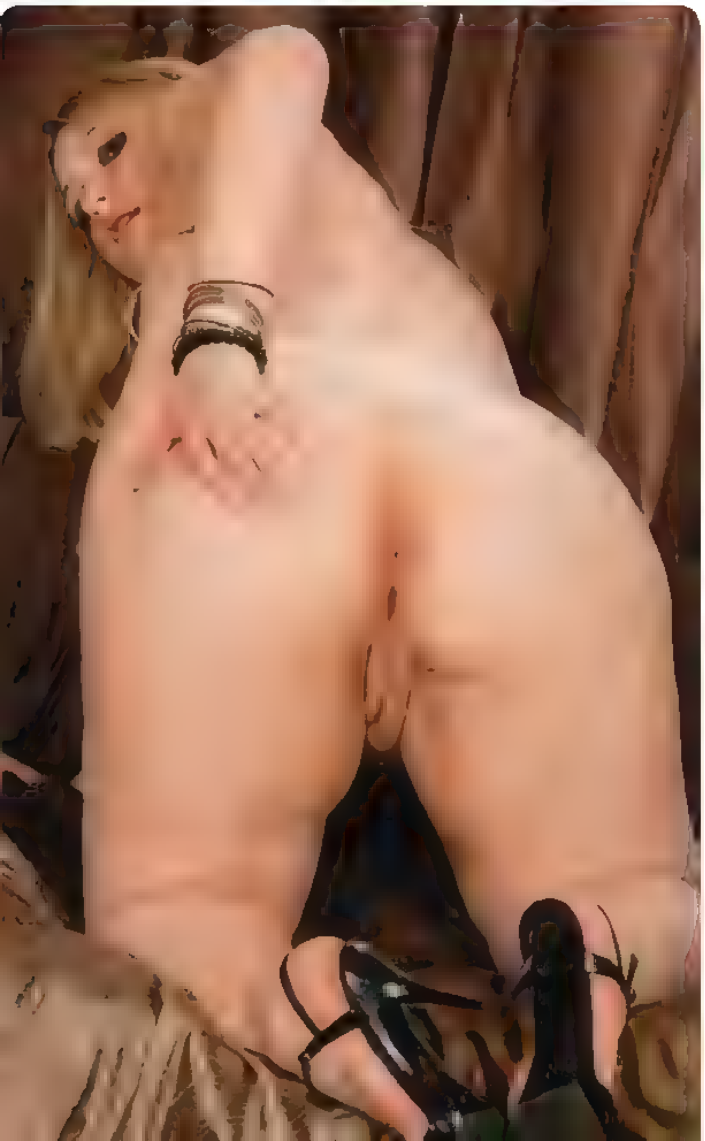


Who would want to keep a rack like hers hidden and under wraps anyway?

"I guess he was jealous. And he was generally too controlling for me. He knew that my boobs were great, and he didn't want anyone else to see them." We're thrilled that Sadie wised up and liberated her fantastic chest, and she's just as happy about it, too. "I feel like this is who I am, and this is what makes me happy. I like to show my body off. Even when I go out I dress in little tops that make my boobs pop out and tight skirts that show off my legs. And I'm so excited to show my friends my pictures in your magazine when it comes out. Maybe I'll even send one to my ex!"







Sadie has a thing for blue-collar men.

Her controlling ex was a hot-shot lawyer. "I've never really gone out with a guy like that before. Really, I like men who work with their hands more–rugged types, you know? I tend to date the gardener, the pool boy or the car mechanic. Those kinds of guys are just so manly. I like construction workers, too. My friends hate it when they make cat calls at us, but to be honest, I love it! Seeing a guy all sweaty and working in the sun turns me on like you wouldn't believe. Blue collars make me wet!"

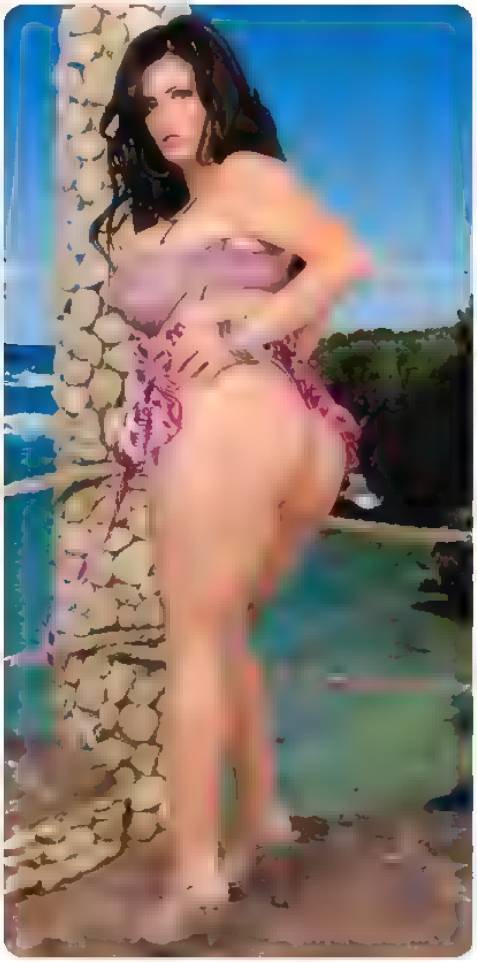
ARIANNA SINN

"ONLY THE MOST PRIVILEGED GET TO SEE THE HORNY SIDE OF MY PERSONALITY."



Newbie Arianna is giving you a special show.

Normally this Romanian beauty keeps her endowments under wraps. In her every day life, she dresses conservatively, hiding her boobs and hips. "I don't like people to stare at me. I'm a bit shy," she said. People who see her on the street might not realize what she's packing under her clothes, but you, our privileged readers, do! Arianna is flaunting her huge melons and sexy curves just for you!

So how does a shy girl end up in *XL Girls*?

Shy doesn't necessarily mean prude. It just means that Arianna would rather leave more to the imagination when it comes to the way she dresses. "I don't dress very revealing, but I am still a very sexual person. Not many people know that I am doing this kind of modeling. They would probably be surprised. But if a man I had dated were to find out, he probably wouldn't be surprised. Only the men that I have close romantic relationships know how sexually adventurous I can be." *XL* readers are now in the know about Arianna, too!

This enigmatic beauty reveals more of her sexual secrets for you.

"Something else that most people don't know about me is that I love to watch porn. Especially porn with anal sex in it. I imagine that it's me there doing it. But I don't do it in real life. I think my butt is just too tight. But it is something I would like to try one day." As for what Arianna does do in real life, it's initiate sex. "I am okay with making the first move. But after I do that I want the man to dominate me. I like to feel him on top of me taking control in a very passionate way."

wasn't playing or feeding her lines. I was hungry for it, and I was genuine about it. Not creepy or overbearing. And when she took me home I got my face in between the big, heaving pillows of her ass cheeks, and I rimmed her like I was licking a freaking lollipop," he says. "I had three fingers up inside that naturally blonde pussy and it was creaming like nobody's business. All the while she was backing that big ass up on my face and when she spread those legs a little I could see her finger going to town on her clit and it drove me fucking nuts!"

R.C. got up behind her and let her know in no uncertain terms what he wanted. "I was gentle," he says, "but I got the head of my prick up against her tight, wet back door and I just knocked a little!

"Meanwhile she eased that tight hole against me, and her ass just swallowed me up like a whale eating a guppy," he pauses, laughing at his own word choice. "Hey man, I ain't no porn star. I'm just a regular guy. But she loved what I was serving up and still does!"

Megan, an ample BBW who goes both ways, says her "bullshit detector" is highly sensitive. "I can tell a mile away if some guy is just hitting me up because he thinks I'm some desperate fat girl," she scoffs. "I'm fine," she says haughtily–though with a trace of humor–"I don't need any kind of pity-fuck from anyone."

Not surprisingly, the curvy 5'9" glamazon towers in many ways, one of which is self-worth. "And to me, there's nothing more attractive than confidence. So many men I meet almost cower in fear of me–probably one of the reasons I've fallen into bed with other big girls on occasion. I meet more women who can look me in the eye than men. That said," she giggles, "I do love getting my face between a pair of rippling thighs. My favorite is a threesome, when I can lick a big, juicy twat while it's getting fucked slow and deep at the same time. And if the guy is skillful enough to finger me at the same time, all the better..."

She realizes she's digressing, however, and gets back on topic. "Men who approach me as though they're worth my time will most likely get my time. I don't want someone I can walk on, someone who kisses my ass non-stop with cheesy compliments and pick-up lines. I want someone who demonstrates he can handle himself with finesse. Then I know he'll be able to handle me."

"I DON'T NEED ANY KIND OF PITY-FUCK."

LIQUID LOVE

Okay, so we love the big 'uns for their heavenly bodies. We like to climb all those sweet rolling hills and munchable mountains. But munching mountains–even climbing them–is far easier than actually moving them.

Rollo thinks big love is best in the water. Many of his compadres agree.

"Look, I know I'm not a big guy," he says. "I'm a little on the scrawny side. I'm only 5'6", but I love luscious curves, the more the better." Rollo favors short heavies. "Mostly because I love to make out when I fuck," says the natural-born romantic, "but also because it gives me a better shot of being able to hold her up against a wall with two gigantic, overflowing hands full of ass-flesh!"

The best plumper sex, he says, is had in a pool or hottub. "The water makes everything buoyant! You can stand with your back up against the wall and let your big girl ride your pony like she's bouncing on the surface of the moon!"

Now in his thirties, Rollo was 18 when he discovered the joys of the aqua-fuck. "I was dating this girl, Stephanie," he says. "She was 19 and Latina. Big, beautiful, brown eyes to match her big, beautiful, brown ass!" he laughs, admitting he still gets hard thinking about the succulent blow jobs the young nursing student would so readily administer. "She slobbered on my knob like it was a frozen Charleston Chew," he remembers fondly.

But the best night they ever shared was the one in her next-door-neighbor's swimming pool when the two of them hopped the backyard fence for a

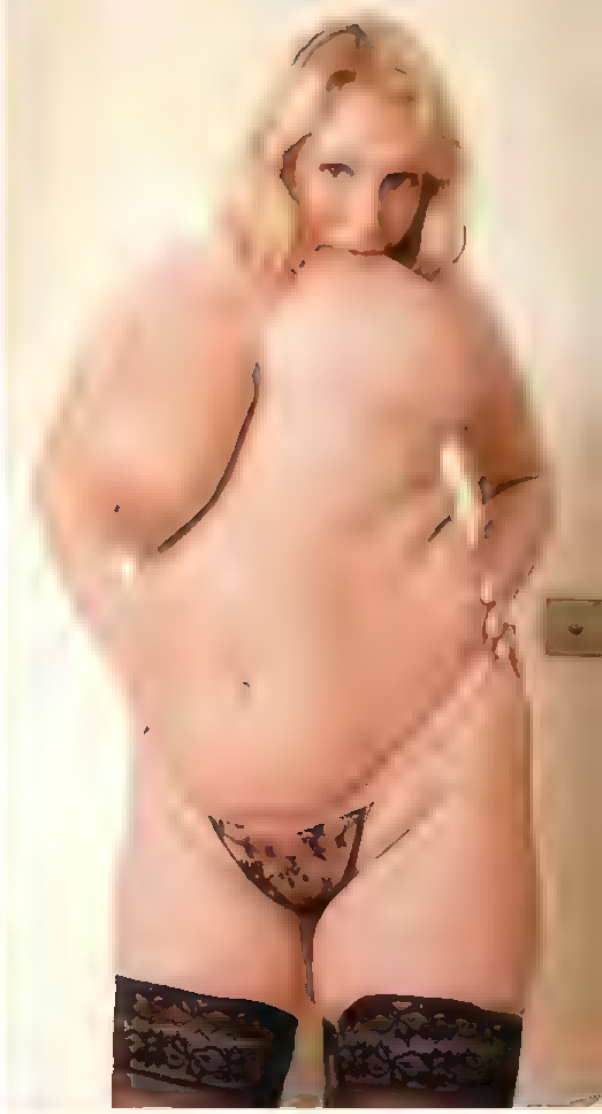
CAROL BROWN

"I KNOW I WAS AWAY FOR A LONG TIME. BUT IT FEELS SO GOOD TO BE MODELING AGAIN."

Long time *XL Girls* and V-mag readers might remember Carol from years ago.

Carol was a popular big-bust model and was even voted V-mag Model of the Year for 1998. But then she dropped out of sight for nearly 10 years. Fortunately, she has returned! The *XL Girls* Jan. '09 (SP176) issue marked her comeback with a hardcore pictorial. Now we're giving you her solo photos. She's gained a few pounds since her modeling days in 1998, and fortunately much of it has gone to her bust. "I'm not self-conscious at all about gaining weight," Carol told us. "I knew that my old fans loved my big breasts, and that they would be thrilled that they're even bigger now."



This MILF plumper has gotten bigger and better with every passing year.

When Carol was modeling in the late '90s, her bra size was usually a 34G. Now she's grown to a 38G . And you know what else has increased with age? "My sex drive! I've always been a sexual woman. But I'm hornier now than I've ever been. And I can honestly say that I've been having the best sex of my life. Aging is nothing to be ashamed about. It's something to celebrate because my life is so amazing!"

So what made her decide to model again?

"I just missed it! I have very fond memories of my old modeling days, and I wanted to see if it still had the same magic for me. I was very pleased to find that it does! I guess I will always be a model at heart. And as long as I have fans you can bet that I will be popping up here and there. Maybe not as frequently as I did in the past, but I'm here! Now that I'm bustier and hornier than ever, it'd be a shame to not share that with my fans. And the voyuer in me loves knowing that there are guys out there getting off to my photos!"

nighttime dip. "It was a little chilly out," he laughs, indicating he was concerned about possible 'shrinkage', "but once I saw those curves and rolls getting naked in the moonlight, my dick was as long and hard as it would have been in a hot steam shower!"

They slid into the shallow end and it was bathtub-warm. "After a long, hot make-out session with plenty of time for me to nibble on those luscious, hard nips and get my hands all over, up and inside her undulating flesh, my cock rubbed against her plush pussy, which was hovering right above it in the water."

It was easy, he remembers. "She was like 5'3", maybe 170 or 180 pounds, but lifting her was easy. She spread those caramelicious legs, and her fat pussy enveloped my pole. I put my hands on her waist, dug my fingers into the flesh just a little, and eased her on and off my eight inches like she was a big, sexy pixie."

"MY COCK RUBBED AGAINST HER PLUSH PUSSY..."

"Oh, I looooooooooooooooove fucking in the water," says Sherilynn when queried. "Of course, I like it best at night because my skin is really fair, but one time I did it with an ex of mine at the pool in his apartment complex in broad daylight!"

She says it all started when he was helping her apply sun block. "It sounds so cliché, I know, but his hands and the creaminess of the lotion and the warmth of the sun–it all started getting me hot. I could feel my clit start to buzz and swell, and before I knew it, I was sitting down on the stairs in the low end and he had pulled the crotch of my suit to the side and I was watching him eat me like I was Thanksgiving dinner. clit made me cum in about two minutes flat! But whenever I cum from getting licked, I always want to get plowed right after!"

The pair moved deeper into the water and with him up behind her, she clasped her legs around him backwards and he let her have it while the water helped hold her girth. "The weightless feeling is just incredible," she admits. "I can do things in the water that would take a ton of effort in my bedroom. But afterwards, I was freaking. I couldn't help myself in the moment, but I'm really glad no one saw us! At least, not that I know of!"

STAYING POWER

Like beautiful Melanie and smoldering Jane mentioned earlier, thick girls like it when it lasts.

"I like to take my time with everything," says exotic café-au-lait beauty Sage who is originally from American Samoa. "I eat slow, savoring every bite of whatever it is I taste, whether it's a homemade chocolate éclair or my man's tasty tool." She licks her lips as if to emphasize.

"I am not a fan of the quickie. I want quality not necessarily quantity since I've got all the quantity any man might want," she boasts, smoothing her manicured hands over mile-wide hips swathed in an alluring yellow dress. "I like to linger, sucking cock for a half hour at a time or longer. I want my man to fuck me everywhere before he cums–my mouth, my big, soft rack, my sweet, juicy, silky twat–everywhere.

"It's not easy for men to make it last all the time," she says, "and I've found that a cock ring can help prolong the action, letting that dangle stay up and hard longer and letting me love on it a long time," she giggles.

"My favorite thing is to get almost all the way there with him pounding my pussy, then let him pull out and fuck my tits while I finger myself. Then I can cum at the same time as he slides it between my bags and plugs it into my mouth, pumping my face full of his spunk like a pastry bag. Mmmmmmm, it's like candy to me!"

Michael, who is faithful to his size-20 lover, the bodacious Mandy, says learning new tricks to make the fun last is not at all a chore. "We've read books together," he says of he and Mandy, who fuck at least once daily, "but I've found that the best way to get my hard-on back after cumming the first time is to head between Mandy's legs, spread her box open wide and just revel in its gloriousness.

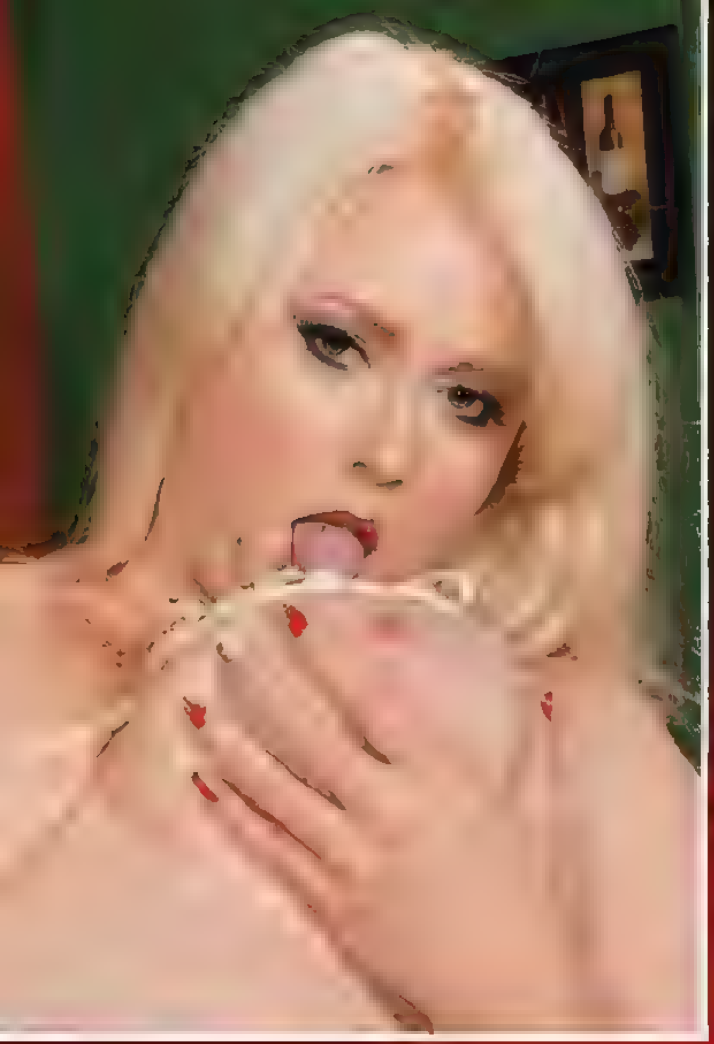
"Have you ever looked, really looked at a big girl's pussy?" he says. "It's like a regular-sized hot girl's vag on steroids! Everything is so puffy and swollen; every fold is like, extra delicious. Then I start to nibble on her clit and get my tongue in every crevice, and before I know it, I'm hard as a rock again and ready to roll–as long as she's willing to let me get up for air, that is. Mandy's pussy is like Viagra!"

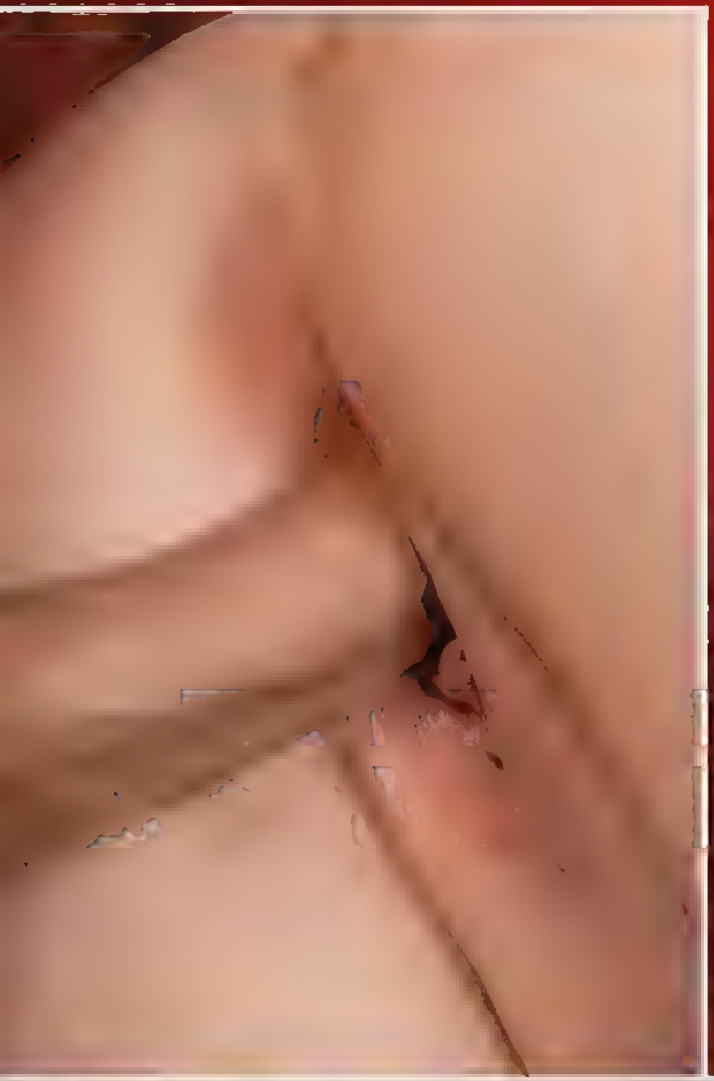
Mandy says women should be supportive of their guys as long as they're willing to try new things and experiment. "Being ready to try whatever your BBW wants," she says. "That is the best method for boating the big one!" she laughs. "Just remember to keep feeding the fish that worm every chance you get!"

Dawn Davenport & Colton Jag

Dawn is a thick girl with a hearty appetite. When it comes to the finer things in life, she wants to indulge. "I love good food, and few things are more satisfying than a big, hearty meal," she said. "But if there's one thing I love as much as food, it's sex. I have an unusual fetish. I like to be fed while I'm getting fucked. Eating is almost like the foreplay, and then it continues while we fuck."

"I've been lucky enough to find men who enjoy feeding me and fucking me as much as I love being on the receiving end of all that. I'm not exactly sure why it turns them on. Maybe it's the idea of controlling me by feeding me, or the idea that they're making my tits and butt bigger by feeding me. Maybe it's the sight of my lips erotically wrapping around food. Maybe they just like a girl with a big appetite. I love it because I love food, and I love sex. What could be better than having them together?"





When Dawn indulges her feeding fetish, she's not nibbling away at fruits or hors d'ouevres. She goes all the way. "I like big meals, and I like big cocks. I like to get really messy with it, too. Whatever I'm eating, I want it to get all over my body. I'm the same way with a man's cum. I love to have it sprayed on me, and then I'll smear it all over me and lick off what I can. I also like to eat off a guy's cock while I give him a blow job. Whipped cream is good for that, but I have put pasta on a guy's dick and slurped it off. We got really messy with that one. But he was more than happy to lick all the pesto sauce off my tits. When it comes to using food with sex, there are just so many options to choose from!"

As Dawn mentioned, pasta is one of her favorite foods to eat when she gets fucked (and even when she's not getting fucked). "Oh, I just love pasta! Spaghetti too. I'm also a fan of fried chicken and mashed potatoes. I like sweets, but I really love salty, hearty food. Other feeding fetishists that I know prefer to keep their sex-meals light because they say it weighs them down. But that doesn't happen to me. In fact, I feel like the more I eat, the hornier I get. Sometimes it's like I'm insatiable!"
